Hi VHF contesters. Finally, here are the results of the IARU Region 1 VHF contest 2003. This is the first time, when the IARU VHF contest was evaluate electronically. We received 1074 logs (711 in SINGLE and 363 in MULTI category). Around 400 logs were in EDI format but a lot of logs we received in other, easy to convert formats (TXT, DOC, XLS) and also some electronics logs in non convertible formats (JPG, BMP). Most problems we have had with paper logs. A lot of logs has been rewritten by Pali OM5CM (Thank you!!!). Also big thanks to Andy OM1CW (SK) for his work on evaluation software. That's all folks. See you in other contests. If you have any questions or obscurity, please don't hesitate to contact us. And don't forget to send us your EDI logs....
